COVER STORY

HIYA TOYS GODZILLA X KONG: THE NEW EMPIRE—GODZILLA EVOLVED EXQUISITE STYLIST SERIES PX FIGURE

Hiya Toys

Hiya Toys introduces their latest addition to the Monsterverse! The *Godzilla Evolved Version* from *Godzilla x Kong: The New Empire* makes its debut in the Hiya Toys **EXQUISITE STYLIST** Series. Set against the backdrop of the new film's colossal clash between Kong and Godzilla, this figure delves into the deeper origins of Titans, revealing Godzilla's evolution after absorbing energy and awakening in the Arctic. Standing at approximately 7.1" tall, this figure faithfully recreates Godzilla's appearance based on original CG data, highlighted by a meticulously applied multi-layered paint job!

IN THIS ISSUE

36-37 AWARD WINNERS 2025!

When a creator or creative team produces work that goes above and beyond the "norm", touching upon important topics or subject matter that resonates with readers, they become contenders for one of our industry's top honors, like the Harvey, Reuben, Inkpot, Russ Manning, Eisner, Ignatz, and Ringo to name a few. So, as we look back at the year that was, we look ahead to award season where pros and fans alike cast their votes for their favorite comics, graphic novels, collections and creators! And as this month's **PREVIEWS** theme is **AWARD WINNERS**, our product specialists have gathered a selection of past award-winning graphic novels for your consideration. And be sure to look for the **AWARD WINNERS** icon throughout this issue for more great selections!

THE BOOK OF NOSFERATU #4

Ablaze Comics

As Emil approaches his final confrontation with the dreaded Nosferatu, new knowledge brings shifting goals and grim decisions. The history of the dreaded being's curse, and those who have fallen victim, must be known, even if it cannot be survived! Emil and the Witch meet Nosferatu where he rests, thrown against the monster's might, and the pave the path forward to further tales!

KAIJUNIOR VOLUME 1 #1

21 Pulp

Kaijunior will be King of the Kaiju! Well, he thinks he will be one day. He's only six right now. The other problem is that all King of the Kaiju have a special power, and his hasn't developed yet. So Kaijunior sets off to learn how to unlock his power from the first King of Kaiju, the great Cathala!

POP! SOUTH PARK SERIES 6 VINYL FIGURES

Merchandise / Funko

Even in it's 27th season, Comedy Central's *South Park* from creators/voice actors Trey Parker and Matt Stone, is as topical and on-point as it's ever been, skewering American politics and culture each week. Now, your favorite characters from the series are back in a new sixth series of POP! figures to collect! Look for POP! Butters, Cartman, Craig, Jimmy, and Wendy. Each figure stands approximately 4" tall.

HAPPY HALLOWEEN 2025!

I bid you welcome to our October issue! Here we are in the early days of September as I write this, but we're already looking forward to several holidays in the next few months... Halloween (the Best Holiday of all) first in line. It's always great to share the spooky season with friends and family, and I will most definitely be watching my fair share of spooky movies (and the Monster variety, as well!) this season. Once again I'll be rewatching *Abbott &*

Costello Meet Frankenstein and *The Ghost and Mr. Chicken*, and I just might put on *Shaun of the Dead* for old time's sake! There's a few excellent films I haven't seen in a long time, like *The Changeling*, *Idle Hands*, *Final Destination* (the first and still the best!), *Ginger Snaps*, *Dog Soldiers*, *An American Werewolf in London*... hey, it's getting really werewolf-heavy on the tail end there. I'm definitely going to watch *Evil Dead 2* as a palate-cleanser after all that wolfiness!

But getting back to **PREVIEWS**, we're celebrating **AWARD WINNERS** month in this issue, highlighting some of the best in Award-Winning comics and graphic novels. Since the earliest days of fandom, groups of like-minded comics enthusiasts have gotten together to honor the comics that they admired most, based on their writing or art. There are a ton of awards given every year at various conventions and industry events, and we're highlighting just some of the Award Winners from the recent past in this issue. Jump over to pages 36-37 to check out a few of our recommended Award Winners!

It's certainly been an eventful year, and we're just a few months away from a new year (2026) and a new season of **PREVIEWS**. Thanks as always for checking us out, and I hope we can continue to bring YOU the coolest stuff in the universe each month! Until next time, I am...

USER'S GUIDE

There's a *lot* of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

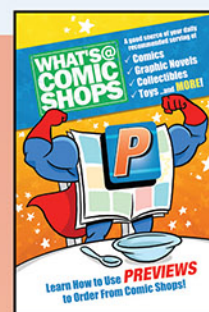

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

KALEVALA: THE GRAPHIC NOVEL (RELIST)

WRITER: (ADAPTED BY) SAMI MAKKONEN

ARTIST: SAMI MAKKONEN

SOFTCOVER | 308 PAGES | COLOR | MATURE
(16 AND UP) | LITERARY ADAPTATION | \$29.99

"...my attempt to write legends of my own to fit my private languages was the tragic tale of the hapless Kullerva in the Finnish Kalevala. It remains a major matter in the legends of the First age..." —J.R.R. TOLKIEN, *LETTER 257*, 1964

"You come one fine day upon the Kalevala, the land of heroes. Then you are indeed in a quite new world and can revel in an amazing new excitement..." —J.R.R. TOLKIEN

"The colours, the deeds, the marvels, the figures of the heroes are all splashed onto a clean bare canvas by sudden hand; even the legends concerning the origin of the most ancient things in the world seem to come

BEFORE *THE HOBBIT*, *THE LORD OF THE RINGS*, AND *GAME OF THRONES* THERE WAS THE EPIC THAT INSPIRED IT ALL!

A stunning comic adaptation of the epic *The Kalevala*, which inspired J.R.R. Tolkien to write *The Lord of the Rings*. It's *the* foundational epic of the fantasy genre.

The story tells of the adventures and fates of wizard Väinämöinen, warrior Lemminkäinen, blacksmith Ilmarinen and other larger-than-life characters seeking love, riches, and magic in the faraway lands of the ancient North.

This is a bold approach to Kalevala by an established talent — visually powerful and accessible.

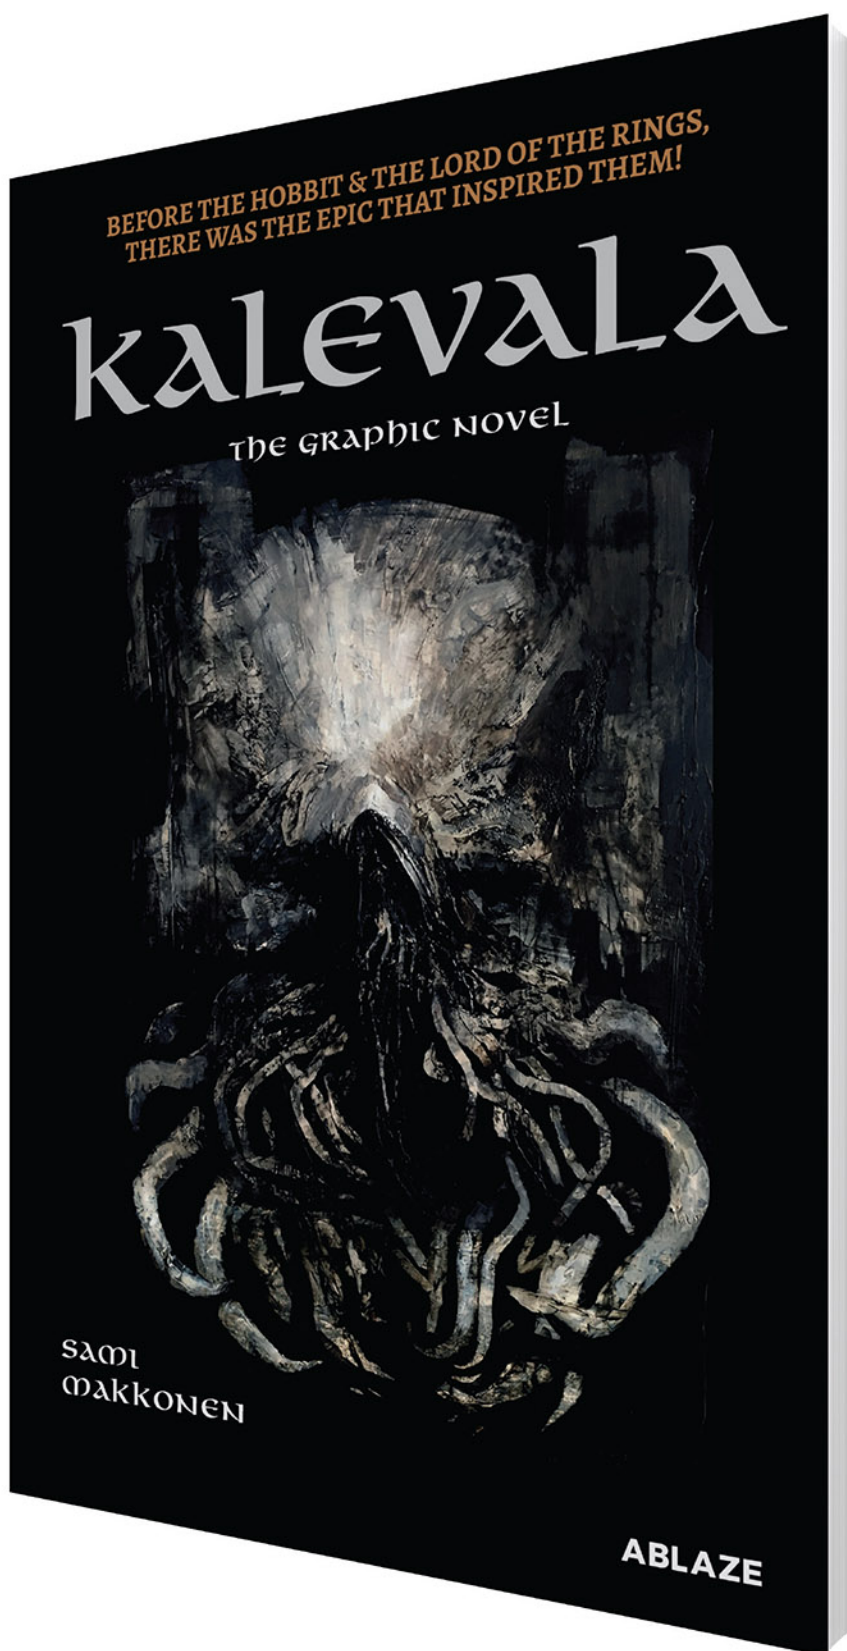

Sami Makkonen is bringing Kalevala to a whole different level and emphasizing the elements of horror in Kalevala, which are often left in the background when only the main events of Kalevala are discussed.

Sami Makkonen is internationally renowned. He has received the Sarjas Award for Best Fantasy Comic and has been nominated for a number of other awards, including the Ghastly Awards for horror work. His awards include:

- Sarjakuvantekijät RY award 2007 (Sarjas Award for Best Fantasy Comic)
- Independent Publisher Book Awards Graphic Novel/Drawn Book — Drama/Documentary 2010

WRITER: MATHIEU GABELLA
ARTIST: FERNANDO DAGNINO

SOFTCOVER | 144 PAGES
COLOR | MATURE (16 AND UP)
ACTION/ADVENTURE, FANTASY | \$19.99

**For some, magic is a myth.
For others, it is a weapon.**

What if witchcraft really existed? If our beliefs, superstitions, and legends were material? This is what Rhym, a young narcotics lieutenant, must question when she finds herself confronted with the impossible. While staking out a subway deal, a suspect magically kills his informant and drives the entire station into madness with just a handful of weed. Rhym miraculously escapes unscathed. She's unaware, but she is a witch, and that fact arouses the interest of a very particular unit of the French secret services. A group of special agents who, like the criminals they hunt, have mastered the art of sorcery...

Welcome to a world where it is better to wear an amulet than a bulletproof vest and where a simple curse by email can destroy you more surely than a bomb. Between thriller, espionage, and fantasy, Mathieu Gabella and DC Comics artist Fernando Dagnino (*Suicide Squad*, *Supergirl*, *Wonder Woman*, *Teen Titans*, *Justice League*) present a powerful adventure!

THE LIBRARY MULE OF CORDOBA HC (RELIST)

WRITER: WILFRID LUPANO

ARTIST: LÉONARD CHEMINEAU

HARDCOVER | 264 PAGES
COLOR | TEEN (13 AND UP)
FICTION, FANTASY, HUMOR | \$24.99

A fable of what happens when saving the world's books from destruction depends on the worst mule in history!

The Caliphate has been blessed with a period of peace, culture, and science for nearly sixty years. The Caliph Abd al-Rahman III and his son al-Hakam II made Cordoba the Western capital of learning. But al-Hakam II dies young, and his son is only ten years old.

One of his viziers, Amir, seizes the opportunity to take power. Radical clergymen, in exchange for their support of the illegitimate pretender, want to see the 400,000 books in Cordoba's library burn!

The night before the biggest bonfire ever, the head librarian, a chubby eunuch named Tarid, gathers up all the books he can and loads them onto the back of a passing mule. He takes off in the hopes of saving what he can of universal knowledge.

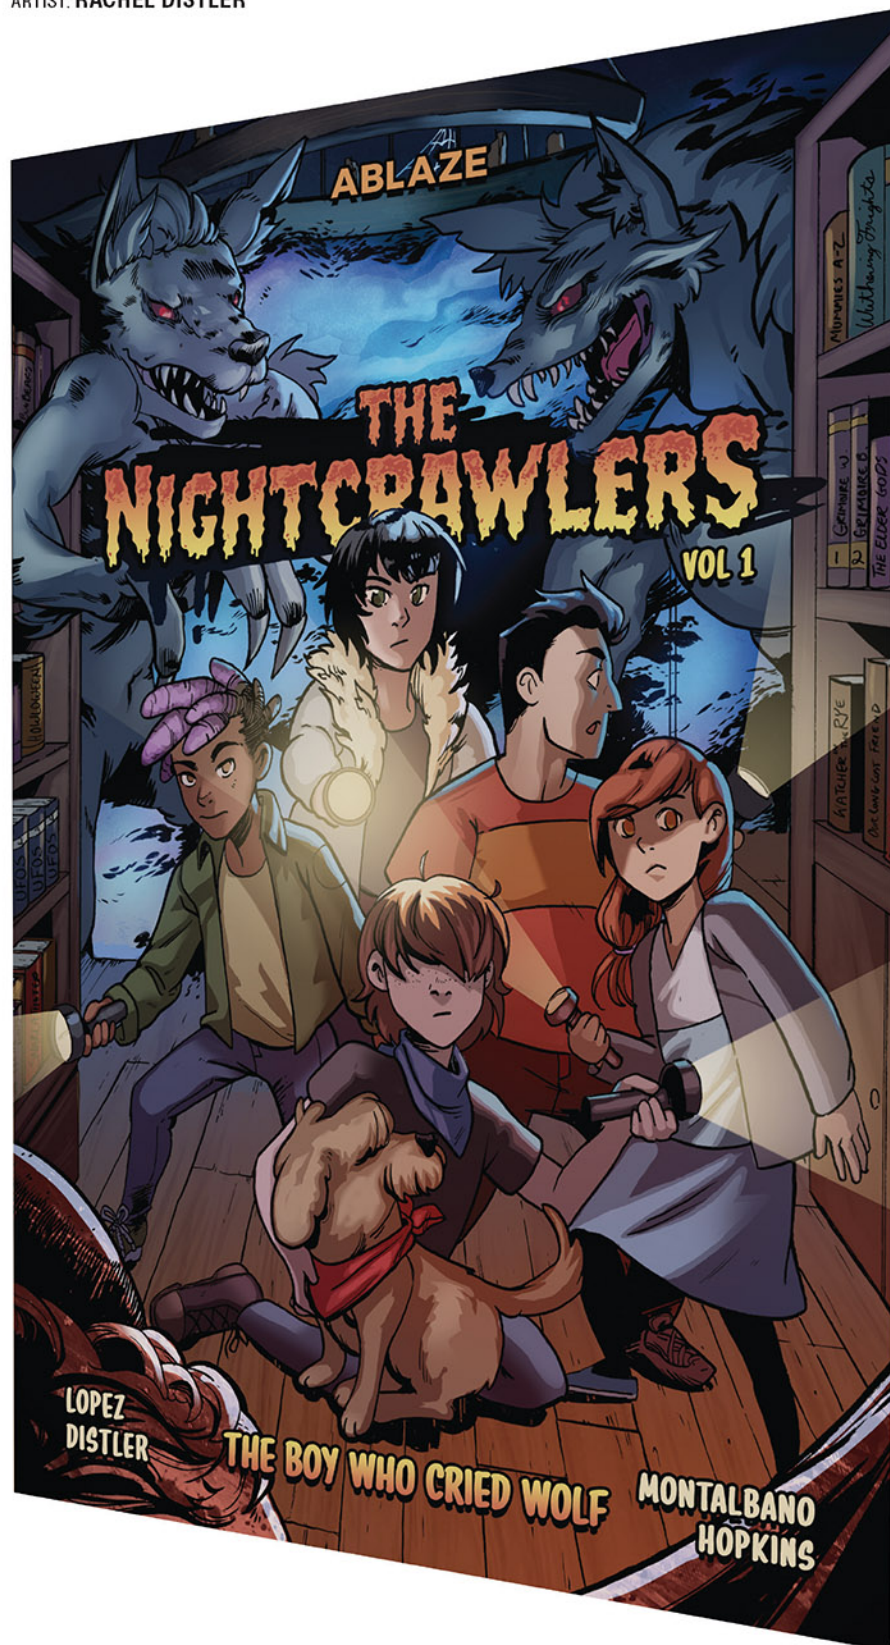

Joined by a young scribe and a former apprentice who went on to become a thief and vagabond, Tarid and his lazy, over-burdened mule set out on a madcap adventure: crossing nearly all of Spain with mercenaries in hot pursuit!

TOMORROW THE BIRDS (RELIST)

WRITER/ARTIST: OSAMU TEZUKA

SOFTCOVER | 324 PAGES

BLACK & WHITE | MATURE (16 AND UP)

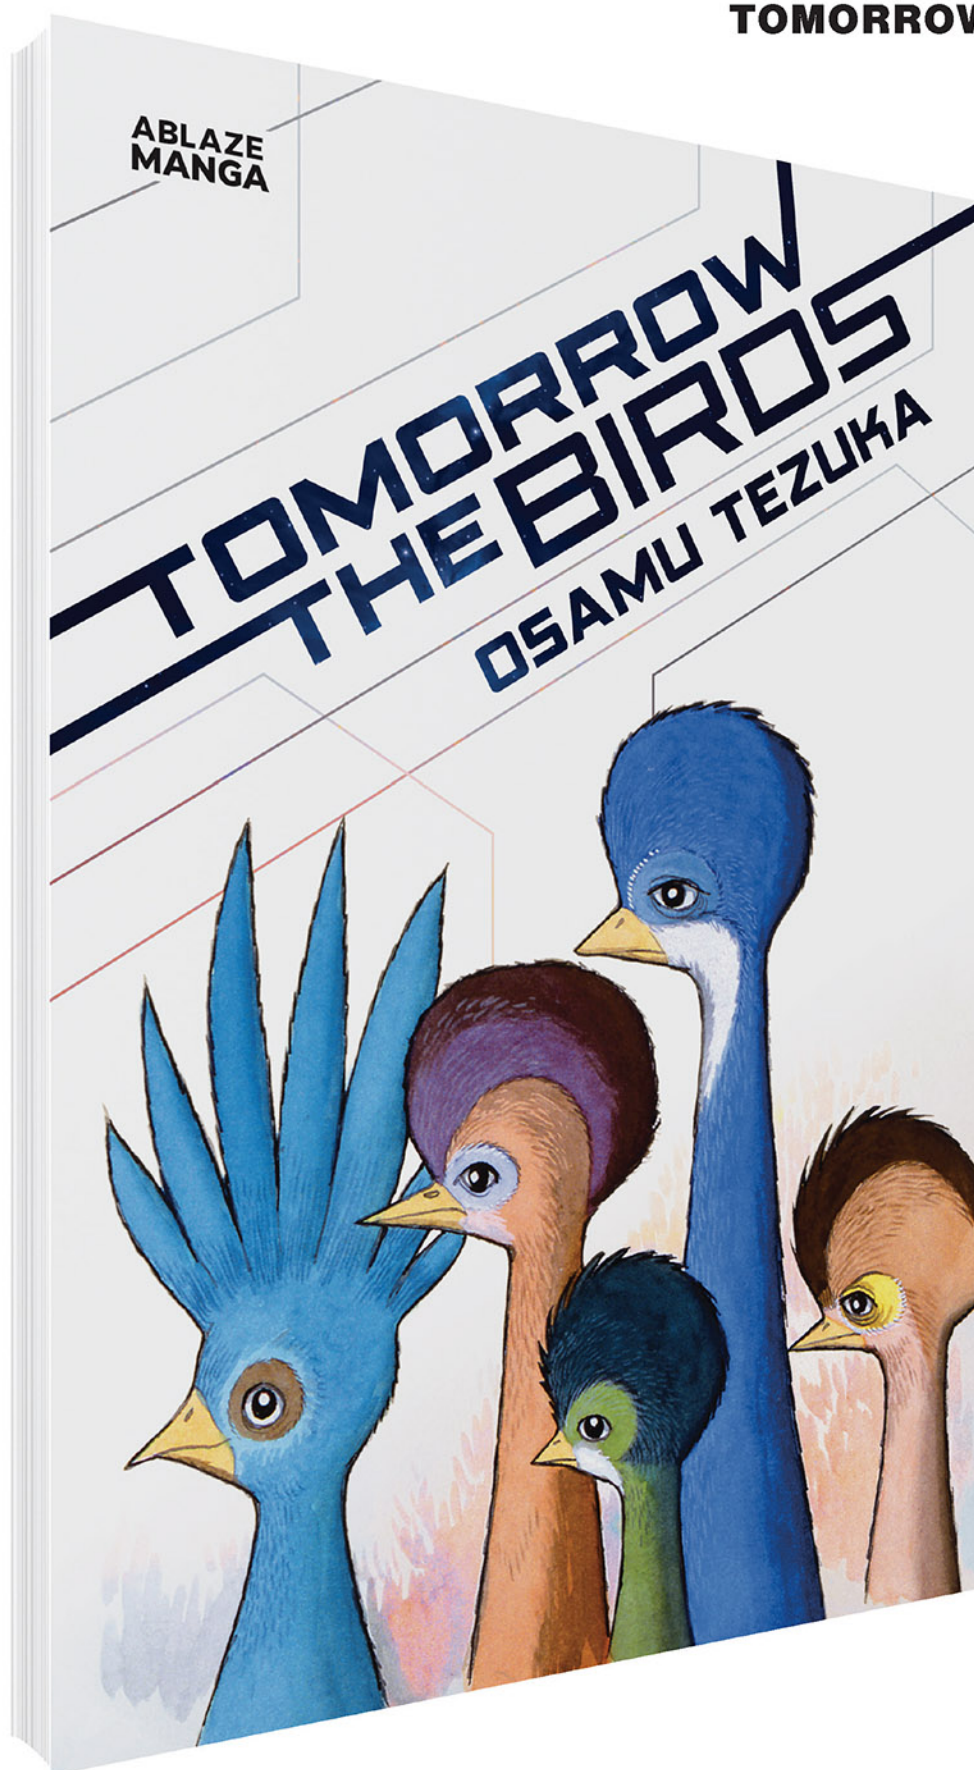

MANGA, SCIENCE FICTION | \$14.99

Classic science fiction from **Osamu Tezuka**, the Godfather of Manga, now in English! Originally published between 1971 and 1975, this tapestry of seven-page short stories and novellas depicts an Earth where birds become the dominant class.

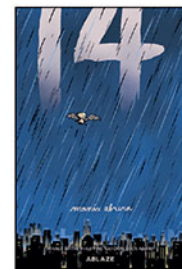

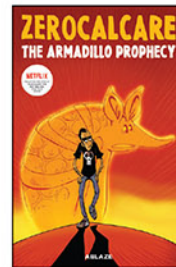

A fatal fire in the countryside escalates into incineration of cities by swarms of pyromaniac magpies. An avian leader with psychic power demands a brutal reduction in the human population. Homo sapiens descends into a subservient role but manages to land some counterpunches. The birds' quest for equality is derailed by conflict between carnivorous species and those that eat insects.

What jump-started the wild leap in ornithological evolution? What will be the fate of humans?

KEEPER OF THE LOST CITIES: THE GRAPHIC NOVEL PART 1 GN

(W) Shannon Messenger, Celina Frenn

(A) Gabriella Chianello

Twelve-year-old Sophie Foster has never quite fit into her life. She's skipped multiple grades and doesn't really connect with the older kids at school, but she's not comfortable with her family, either. The reason? Sophie's a Telepath, someone who can read minds. No one knows her secret—at least, that's what she thinks... But the day Sophie meets Fitz, a mysterious (and adorable) boy, she learns she's not alone. He's a Telepath too, and it turns out the reason she has never felt at home is that, well...she isn't. Fitz opens Sophie's eyes to a shocking truth, and she is forced to leave behind her family for a new life

in a place that is vastly different from what she has ever known. This stunning graphic novel retelling of the first half of the thrilling first novel comes to life with all the adventure and epic worldbuilding the *Keeper of the Lost Cities* series is known for. (STL382620) (C: 0-1-0)

(W) Stacia Stark

Life in the perilous Thorn district is a constant battle for Arvelle and her younger brothers. And the vampire standing on her doorstep is about to turn their world upside down. Faced with an unthinkable choice, Arvelle makes a magically binding vow to do the impossible: kill the emperor, an ancient vampire created by the god Umbros. But first, she must enter the Sundering—an arena where only the fastest, strongest, and deadliest survive long enough to be selected for the emperor's elite guard. She quickly draws the ire of the Primus, the powerful figure charged with protecting the emperor. But the vampire under the armor is the last person Arvelle expects to encounter in the emperor's court. With her

brothers' lives in the balance, Arvelle has no choice but to ally with the man who once shattered her heart... and with the emperor's sadistic son, Rorrik—two vampires whose motives are impossible to pin down. Rorrik holds the key to understanding the powers Arvelle is developing—abilities that would put a price on her head if discovered by the emperor. To survive the arena and complete her mission, Arvelle must get to the bottom of a conspiracy that will change everything she thought she knew about herself—and the two vampires who are deeply entwined with her destiny... FLEETWAY COMICS ARCHIVES: ARTURO DEL CASTILLO'S THE THREE MUSKETEERS HC

(W) Alexandre Dumas
(A) Arturo Del Castillo
Arturo Del Castillo was one of the greatest masters of the comic strip. His artistic skill is recognized internationally and his great artistry on *The Three Musketeers*, *The Man in the Iron Mask*, and *The King's Musketeers* (all included here) is regarded as some of the finest pen and ink work ever created for comic strips. These 3 comic strips originally appeared in the British comics *Film Fun* and *Lion* in the early 1960s. This is the first time they have ever been reprinted in

this complete form. The quality of his penmanship is simply stunning on these strips. Also included here are 14 pages of rare reproductions of original del Castillo artwork. Collected in a single volume for the first time, this classic of comic strip adaptation brings to life all the action and poignancy of Dumas' novel and its sequel. (STL382754) (C: 0-1-2)

WES SLADE: DEPUTY US MARSHAL HC

(W) James Edgar
(A) George Stokes

This is the very first time these stories have been reprinted since first appearing in 1960s. Regarded by comic aficionados as the finest western strip ever published, *Wes Slade: Deputy US Marshal* ran from 1961 until

1981. Written by James Edgar, perhaps the best writer of western strips, and drawn by George Stokes as a labor of love, the artwork is very special. Here we present 10 complete stories all scanned from the original artwork which still survives in the *Express* Newspaper Archives. George Stokes was born in 1934, the son of a British officer serving in the Indian Army. Travel in Canada and the USA deepened his interest in West and in 1960 he jumped at the opportunity to draw a newly created western strip for the *Sunday Express*, *Wes Slade*. He drew *Wes Slade* weekly for the next 20 years until his untimely death aged 47 in 1981. We are very pleased to offer this incredible collection of Western stories and artwork in the very finest reproduction from the original artwork. (STL382737) (C: 0-1-2)

O/A SURVIVOR: ARON'S STORY HC GN

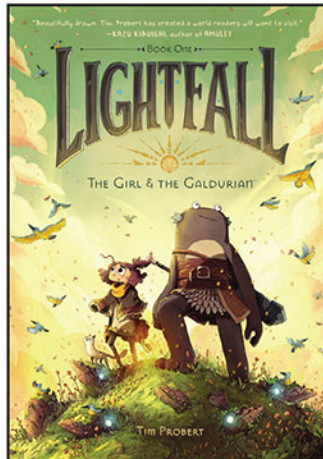

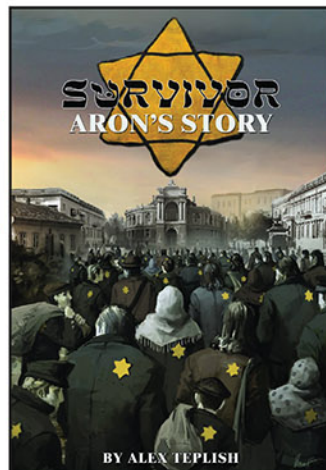

(W) Alex Teplish

(A) Devoe Media Studio & Various

(CA) Albert Urmanov

Aron considered himself a typical Jewish-Soviet boy while growing up in multi-cultural Odessa of the 1930s. Life didn't come easy to his Yiddish and Russian-speaking family, but they got by, assimilated to their surroundings. As the 40s approached, Nazi Germany began its march across Europe, with the extermination of the Jewish people as one of its aims. The Nazis now set their sights on the Soviet Union, fighting the Red Army for territory while committing mass atrocities against the Jews and other people they deemed "unfit for life." Living through the Odessa Massacre, Aron, his two brothers, sister, and parents were expelled from their home city, struggling to survive the Holocaust. Aron's story, visually depicted here in the graphic novel form, allows us to experience the events first hand, through the eyes of young Aron himself, while learning about one of the least documented episodes of the Holocaust. LIGHTFALL: THE GIRL AND THE GALDURIAN GN

(W/A) Tim Probert

Deep in the heart of the planet Irpa stands the Salty Pig's Tonics & Tinctures, home of the wise Pig Wizard and his adopted granddaughter, Bea. Keepers of the Endless Flame, they live a quiet and peaceful life, crafting medicines and potions for the people of their once-prosperous world. All that changes when Bea meets Cad, a member of the Galdurians, a race thought to be long-extinct. Cad believes that if anyone can help him find his missing people, it's the Pig Wizard. But when the two arrive home, the Pig Wizard is nowhere to be found—all that's left is the Jar of Endless Flame and a mysterious note.

Fearing for the Pig Wizard's safety, Bea and Cad set out across Irpa to find him. Meanwhile, a dangerous being grows more powerful each day, and will stop at nothing to rid the world of whatever light it has left. Will these two unexpected friends find the beloved Pig Wizard and prevent eternal darkness from blanketing their world? Or has Irpa finally seen its last sunrise? (STL382667)

SWIM TEAM GN

(W/A) Johnnie Christmas

Bree can't wait for her first day at her new middle school, Enith Brightha, home to the Mighty Manatees—until she's stuck with the only elective that fits her schedule, the dreaded Swim 101. The thought of swimming makes Bree more than a little queasy, yet she's forced to dive headfirst into one of her greatest fears. Lucky for her, Etta, an elderly occupant of her apartment building and former swim team captain, is willing to help. With Etta's training and a lot of hard work, Bree suddenly finds her swim-crazed community counting on her to turn the school's failing team around. But that's easier said than done, especially when their rival, the prestigious Holyoke Prep, has everything they need to leave the Mighty Manatees in their wake. In this middle grade graphic novel debut, Johnnie Christmas demonstrates how—through friendship, courage, and heart—the wave of change can start with the smallest ripple. (STL382672)

THE WAY OF THE HIVE GN

(W/A) Jay Hosler

Nyuki is a brand-new honeybee—and she has a lot of questions! Like, when does a bee go through metamorphosis? Why does a queen bee sometimes leave her hive? Where does all this honey come from, anyway?! But Nyuki's biggest question is, "What is this inner voice I hear, and why does it tell me to go forth to adventure?" Follow Nyuki on a lifelong journey as she annoys her sisters, avoids predators, and learns to trust her inner voice as she masters the way of the hive. And if you still have questions by the end, the back of the book uncovers even more mysteries about the lives of these incredible insects! (STL382670)

BLACK PANTHER: THE ILLUSTRATED HISTORY HC

(W) Dennis Culver

From his first appearance in *Fantastic Four* #52 (1966) to his 2018 *New York Times*-bestselling solo series, the King of Wakanda has been a force to be reckoned with on the page—and now, on the silver screen. A veteran Avenger and a member of the Illuminati, T'Challa's evolution from being a Jack Kirby and Stan Lee creation, to inspiring his own character-led film for Marvel Studios, to serving as a literal voice of the people and the state of race relations in twenty-first-century America has been legendary. As the first black superhero in mainstream American comics, Black Panther is a seminal figure in pop culture history. This deluxe hardcover book not only covers the history and creation of the character but also features exclusive concept art, layout and sketch art, and interviews with key artists and writers from Black Panther's robust archives. Cover art and exclusive art card by acclaimed artists Denys Cowan, Bill Sienkiewicz, and Elizabeth Breitweiser. (STL360267) (C: 0-1-1) RES. from *PREVIEWS* Vol. XXV #2 (FEB251708)

HUNGER: WOLFSKULLJACK PREMIERE EDITION HC

(W) Nihaarika Negi (A) Joe Bocado (CA) WOLFSKULLJACK

In 1896 Bombay, under British rule, a concentration camp holds Izna, a plague-infected and famine-stricken being. Mutated through medical experiments, she, along with others, becomes a mutant. British officers invite famine photographer William Wallace Hooper to document the mutants, unaware he's controlled by a shape-shifting vampire called Pisach. The Pisach infects prey with insatiable hunger, while Hooper bonds with Izna amidst rulers' games with famine slaves. Unbeknownst, Izna descends from women embracing monsters. Discovering Hooper's role in her mother's death, she wishes to become a monster herself. Transformed into a half-human, half-mutant, half-beast, she embraces her hunger, consuming oppressors and drenching her land in blood. This infinite hunger mirrors trauma's generational and cultural impact, forging an inseparable link between oppressed and oppressor. This comic-shop exclusive edition features a cover by WOLFSKULLJACK, known for her work on *Magic! The Gathering*, *Metallica*, and more! (STL382722) (C: 0-1-2)

**GHOST BOYS GN**

(W) Jewell Parker Rhodes

(A) Setor Fiadzigbey

Experience Jewell Parker Rhodes's award-winning storytelling in this tender yet visceral graphic novel adaptation of her *New York Times* bestselling novel, with poignant illustrations by Setor Fiadzigbey. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that is unleashed on his family and community in the wake of this unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey toward recognizing how historical racism may have led to the events that ended his life. Jerome also meets

Sarah, the daughter of the police officer who shot him, as she grapples with her father's actions. Now gorgeously a graphic novel with gripping artwork from *Black Panther* illustrator Setor Fiadzigbey, *Ghost Boys* once again deftly explores the historical and sociopolitical layers involved in how children and families face the complexities of today's world and how one boy, in particular, comes to understand American Blackness in the aftermath of his own death. GOLDEN AGE CLASSICS: BLACK CONDOR & THE RAY VOLUME 3 HC

(A) Reed Crandall & Various

Lou Fine was one of the most impressive and influential artists to ever work in comics. His fluid figures were admired and copied by such greats as Joe Simon and Jack Kirby. In addition to his impressive covers, he worked on such comics as the Black Condor; aka Richard Grey Jr. having lost his parents was raised by giant black condors and after studying his condor foster parents, he learned to fly. He befriended a hermit monk named Father Pierre who convinced him that he should use his unique attributes to do good and so was born the Black Condor. Lou Fine also created The Ray, a reporter named Hubert "Happy" Terrill who was covering the story of a high-flying "strato-balloon" exploring the upper atmosphere. An electrical storm struck and while closing the outer airlock door, "Happy" got the full brunt of the storm's energy and the unfiltered sunlight giving him his super powers to absorb energy from his surroundings and emit it from his body in any form he chose, also using it to propel himself through the air. The Spirit is a fictional masked crime fighter created by cartoonist Will Eisner, who fights crime with the blessing of the city's police commissioner Dolan, an old friend. Despite the Spirit's origin as detective/criminologist Denny Colt, his real identity was rarely referred to after his first appearance, and for all intents and purposes he was simply

"The Spirit." The stories are presented in a wide variety of styles, from straight forward crime drama and noir to lighthearted adventure, from mystery and horror to comedy and love stories, often with hybrid elements that twisted genre and reader expectations. (STL382536) (C: 0-1-2)

SPOTLIGHT ON

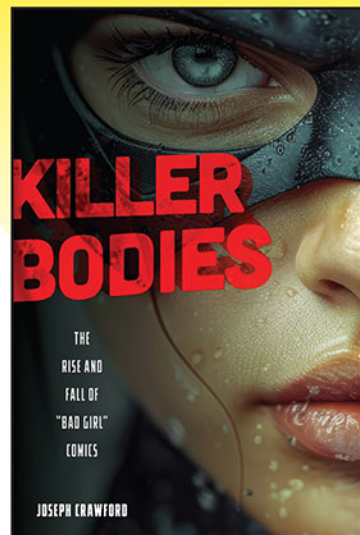

KILLER BODIES: THE RISE AND FALL OF BAD GIRL COMICS SC

(W) Joseph Crawford

Killer Bodies offers a history of the single most critically-derided subgenre in American superhero comics: the "bad girl" comics of the 1990s, which chronicled the blood-soaked adventures of barely-dressed and improbably-proportioned action heroines for an audience of adolescent boys. While not in any way attempting to rehabilitate the genre, which for the most part amply deserved its reputation as sexist and borderline pornographic, this book situates it within its original cultural context, as the result of a matrix of influences that included third-wave feminism, neopaganism, "girl power," the rise of the internet, the growing popularity of manga, supermodel beauty ideals, and the mainstreaming of pornography. It explores why and how the figure of the anti-heroic, physically aggressive, sexually objectified heroine arose within American comics culture, and the commercial and ideological factors that led to the genre's rapid rise and equally rapid decline amidst the crisis-racked comics industry of the mid-1990s. **THE LIVE-ACTION
ANIMATED FILM SC**

(W) Kyle Meikle

Since cinema's beginning, live actors and cartoon characters have traded places and invaded each other's spaces, with real people getting animated and animated character getting real. *The Live-Action Animated Film* looks at the long history of movies that combine live action with 2D, stop-motion, and 3D animation to hallucinogenic effect. This survey suggests that the experimental and idiosyncratic mixed pics of the twentieth century set the template for the mainstream blockbusters of the twenty-first. Covering everything from Technicolor musicals and creature features to contemporary remakes and reboots, *The Live-Action Animated Film* brings this significant, boundary-blurring genre into sharp

er focus. In retrospect, the introduction of cartoons into live action looks as central to film history as the coming of sound or color. (STL382623) (C: 0-1-2)

DRAWN TO NATURE: AMERICAN ANIMATION IN THE AGE OF SCIENCE SC

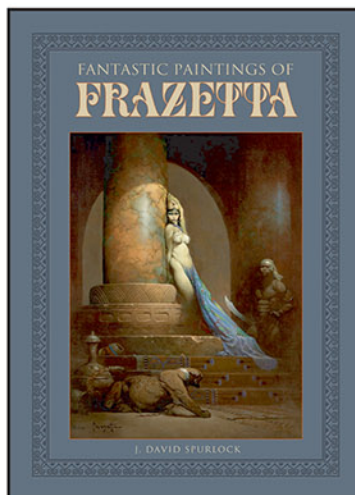

(W) Colin Williamson
What do technical renderings of plant cells in trees have to do with Disney's animated opus *Fantasia*? Quite a bit, as it turns out: such emergent scientific models and ideas about nature were an important inspiration for Disney's groundbreaking animated realism. In *Drawn to Nature*, Colin Williamson presents a vivid portrait of how developments in biology, physics, and geology between 1900 and the long 1960s influenced not just Disney but the American cartoon industry as a whole. Drawing on original research on the scientific appetites of animators and studios such as Winsor McCay, the Fleischer Brothers, Walt Disney, and United Productions of America, Williamson opens new avenues for understanding the history and aesthetics of cartoons. Interrogating the differences between art and science and reconsidering the realms of dream, magic, and fantasy as they pertain to pop culture, he yields novel proposals for bridging longstanding divides between animation, live-action cinema, and the history of science. ONE HUNDRED TALES (RELIST)

WRITER/ARTIST: OSAMU TEZUKA

SOFTCOVER | 208 PAGES | BLACK & WHITE
AGES 13 AND UP | MANGA, FANTASY | \$12.99

One Hundred Tales is an adaptation of the Faust legend as a samurai period piece. Ichirui Hanri is an ordinary accountant servicing his lord. Though innocent, he is sentenced to death by hara-kiri after being entangled in a power struggle. A witch named Sudama appears and offers Hanri three wishes in exchange for his soul. Hanri accepts. Is it worth it?

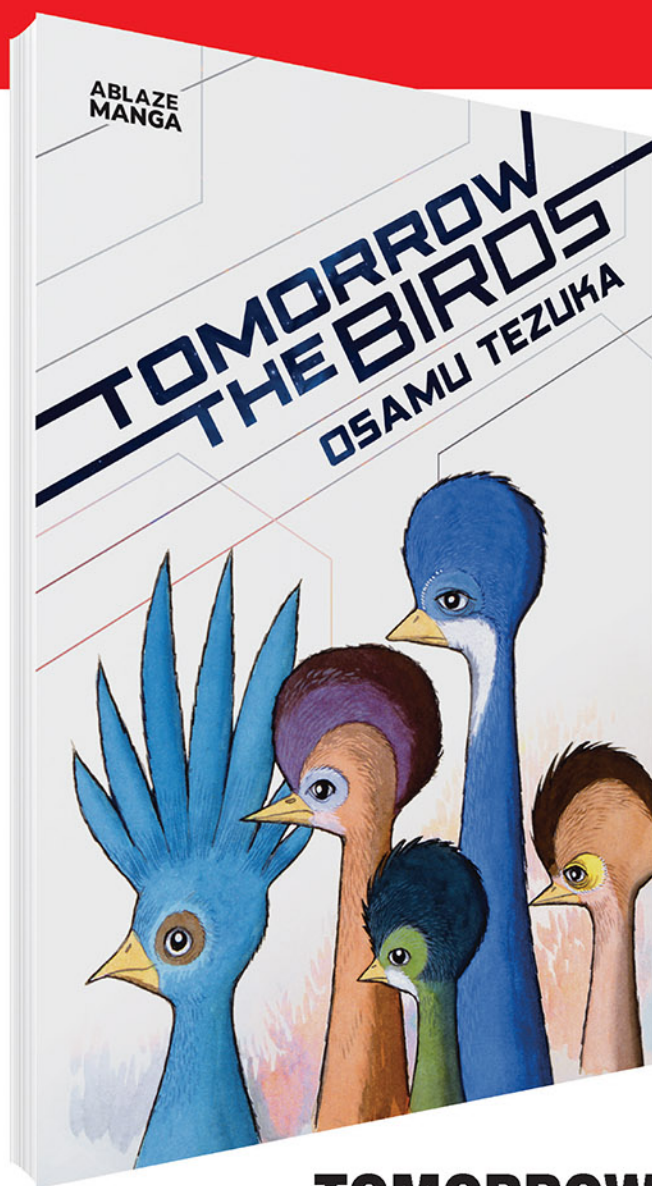

An enchanting supernatural fable from **Osamu Tezuka**, known worldwide as the "Godfather of Manga" and the most influential person of the past century in the development of manga and anime.

Classic science fiction from **Osamu Tezuka**, the Godfather of Manga, now in English! Originally published between 1971 and 1975, this tapestry of seven-page short stories and novellas depicts an Earth where birds become the dominant class.

A fatal fire in the countryside escalates into incineration of cities by swarms of pyromaniac magpies. An avian leader with psychic power demands a brutal reduction in the human population. Homo sapiens descends into a subservient role but manages to land some counterpunches. The birds' quest for equality is derailed by conflict between carnivorous species and those that eat insects.

What jump-started the wild leap in ornithological evolution? What will be the fate of humans?

SEE YOU IN MY 19TH LIFE VOLUME 9 GN

(W/A/CA) Lee Hye

Jieum and Seoha's relationship has been exposed, but that doesn't seem to bother Jieum in the slightest. After all, she has no plans of letting anything get in the way of her romance with Seoha anymore, and the two seem to be living in peaceful bliss... The opposite can be said for Chowon and Doyun, however—the latter believing that the obstacles in their path are too much to handle. But when Chowon's resolve falters, Doyun must make a decision—take a chance on romance, or give up on his love forever? Scheduled to ship in January 2026. (C: 0-1-2)

SEMANTIC ERROR VOLUME 1 SC

(W/A/CA) J. Soori

The heart-pounding novel that inspired the hit BL comic! Computer science major Sangwoo Choo lives by the following tenets: reason, routine, and rules. So when the rest of his groupmates flake on their class presentation, he deletes their names from the project without hesitation—inadvertently destroying one groupmate's plans to graduate and study abroad. That's got nothing to do with Sangwoo, though... or so he thinks, until he realizes that Jaeyoung Jang, the talented design major he was hoping to hire for his video game, is not only that very same classmate, but eager to get some payback! Will Sangwoo be able to debug this semantic error before it upends his entire life? Scheduled to ship in January 2026. (C: 0-1-2)

SPOTLIGHT ON

COURT OF THE DEAD: DEMITHYLE (EXALTED REAPER GENERAL) 1/12-SCALE FIGURE

From Boss Fight Studio. From Boss Fight Studio's *Court of the Dead* line, Demithyle's skill and ingenuity as a soldier carried him to heights never reached before by a Mortis Knight. Adorned with intricately embellished armor worthy of his well-earned rank, Reaper General, first of his rank, Commander of Death's Army and Overseer of the Collection of Human Souls. The ancient, storied warrior and administrator of the Dark Deed carries his magnificent scythe and *Cryptmourne*, his sword, with a heavy sense of duty and compassion. While he fights under the banner of Bone and swears allegiance to the Chancellor, Demithyle's loyalty lies with Death and the Underworld as a whole, regardless of faction.

This highly articulated, 1/12th scale figure comes with Demithyle's sword: *Cryptmourne*, scythe, war helm, fabric capes, and 2 sets of swappable hands. (STL382582) Item has been previously solicited in *New to Order*. Scheduled to ship in March 2026. (3419/CDE004) (C: 1-1-2) NOTE: Available only in the United States, Canada, Europe, and the U.K.

COURT OF THE DEAD: SHARD (MORTAL TRESPASSER) 1/12-SCALE FIGURE

From Boss Fight Studio. From Boss Fight Studio's *Court of the Dead* line, Shard is the first living, breathing mortal to ever set foot in the Underworld. To better prepare her for the harsh environment of the realm of the dead, the former Templar knight is adorned with armor forged within the capital city of Illverness. Though most trappings of humanity are now beyond her reach, Shard still carries the weapon that served her for so long in the mortal realm — a blade called *Faith Bearer*, which is infused with the essence of one of the heavenly host. It is a deadly weapon, only rivaled by its newly forged twin — the sword known as *Seraph's Woe*, which contains the spirit of one of hell's greater demons. It is no surprise that even in the Underworld, most beings give this defiant trespasser a wide berth. Though she may be the only living being in Death's realm, there is no fear in Shard's eyes. This highly articulated, 1/12 scale figure measures 6" tall and comes with Shard's swords: *Faith Bearer* and *Seraph's Woe*, fabric cape, 3 interchangeable portraits and 2 sets of interchangeable hands. (STL382580) Item has been previously solicited in *New to Order*. Scheduled to ship in March 2026. (3419/CDE003) (C: 1-1-2)

NOTE: Available only in the United States, Canada, Europe, and the U.K.
